भोपाल, दिनांक 07/05/2019

To,
The Manager
Sagar Public School
Katara Extension
Village Jhagariya Khurd,
District Bhopal.

Reference- Your letter No. Nil Dated 23/04/2019.

Subject- Checking of the Structural Integrity of the School Building.

Sir,

With reference to the aforesaid please note that the design documents and drawings of the construction of your school building at Sagar Public School Katara Extension, Village Jhagariya Khurd District Bhopal have been reviewed and the rapid visual survey of the said building was conducted on 30/04/2019.

Based on the review of the documents and the Visual Survey of the building it can be certified the design and the construction of the building is as per the prevailing codes of practice and the building is well designed to sustain the gravity loads as per the Indian Standard codes of Practice.

The visual observations we do not take the responsibility of any changes / errors during construction.
